Wilson & Company Appoints Scott T. Asher as Transportation Operations Manager

COLORADO SPRINGS, CO – January 17, 2012 – Wilson & Company, Inc., Engineers and Architects announces the appointment of Scott T. Asher, PE, as the Colorado Springs Transportation Operations Manager. He will play a key role in helping grow and sustain Wilson & Company's transportation practice in Colorado.

Mr. Asher has more than 15 years of experience in managing, planning and designing roadways. His most recent projects are as Project Manager for the I-25 New Pueblo Freeway Environmental Impact Statement for the Colorado Department of Transportation and the Austin Bluffs Parkway Interchange at Union Boulevard for the City of Colorado Springs.

Mr. Asher is a professional engineer licensed in Colorado. He holds a Bachelor of Science, Civil Engineering, from the University of Wisconsin – Platteville (1995). Mr. Asher resides in Colorado Springs.

He is very active in the American Society of Civil Engineers, most recently serving as the Chair of Governmental Affairs Committee (2009 to the present). He is serving on the American Council of Engineering Companies (ACEC) as a committee member on the Legislative committee and the Southern Colorado Steering Committee. He is also serving on the Legislative Watch Council for the Colorado Springs Chamber of Commerce.
