FOR IMMEDIATE RELEASE

WILSON & COMPANY HOLDS SECOND ANNUAL “PICNIC WITH A PURPOSE”

ALBUQUERQUE, NM – Wilson & Company, Inc., Engineers & Architects held the second annual company “Picnic with a Purpose” on Friday, August 5, 2011. With a goal to raise money to support a local charity, approximately 150 employees and family members enjoyed an afternoon picnic at their corporate headquarters at 4900 Lang Avenue NE. This year a total of One Thousand Five Hundred and Sixty-Eight (\$1,568.00) dollars was raised to support the Wounded Warrior Project™ (WWP). This donation will help provide assistance to injured service men and women as they return home from their current conflicts. The program supports thousands of soldiers and their families and ranges from helping to meet basic financial needs, providing a support network to re-engage into society, providing rehabilitative care, and helping injured service members stay connected to one another. For more information about the WWP please visit their website at www.woundedwarriorproject.org.

We would like to thank the following local companies that generously provided raffle prizes and/or directly contributed to the Wounded Warrior Project™: Courtyard Marriot Journal Center, Discount Tire Company, Enterprise Fleet Management, Employee Benefit Service Center, HCH Administration, Jason's Deli, Staple's, UBS Financial Services, and Weck's.

Wilson & Company, Inc., Engineers & Architects is a 79-year-old multidiscipline engineering, architecture, surveying, mapping, planning, environmental, real estate, construction management, and program management firm. A staff of 450 professionals serves a diverse client base of federal and municipal governments, transportation agencies, railroads, private industry, education, healthcare, and renewable energy companies.
