

**PUEBLO OF ISLETA LAGOON TRANSFER AND WESTSIDE
WASTEWATER TREATMENT PLANT UPGRADES**

ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of the **Lagoon Abandonment & WWTP Improvements Project** will be received, by **Pueblo of Isleta**, at the office of the **Pueblo of Isleta Procurement Office, Located in the Tribal Services Complex, 3950 State Hwy 47, Suite C, Albuquerque, NM 87105**, until **2:00 p.m.** local time on **October 31, 2018**, at which time the Bids received will be opened and read.

This Project consists of the construction of approx. 10,000 liner foot force main and improvements at the Village Proper Lift Station for the purpose of redirecting wastewater from lagoons to the Westside WWTP. Lift station improvements include replacing two 15-hp pumps, guide rails, electrical panel, and all necessary appurtenances.

Improvements at the Westside WWTP include the replacement of existing headworks with new influent structure including new mechanical screen, parshall flume, and ultrasonic flow meter. Construction of a new 120' x 60' asphalt sludge drying bed with a tipping dewatering container on a concrete slab. New dry sludge holding cells will be constructed from reconfiguring existing serpentine channel. A new septage offloading station to be constructed and tied into the existing infrastructure. Effluent disinfection improvements include the replacement of the existing ultraviolet disinfection system with two open channel ultraviolet disinfection units. Work within the base bid includes all necessary fittings, valves, controls, and appurtenances

Bids will be received for a single prime Contractor. Bids shall be on a unit price basis.

The Issuing Office for the Bidding Documents is: **Wilson & Company, Inc., Engineers & Architects; 4401 Masthead, NE 87109, Suite 150; (505) 348-4000**. Prospective Bidders may examine the Bidding Documents at the Issuing Office between the hours of **Monday – Friday 8:00 am to 5:00 pm**.

For bidding forms and Contract Documents, including plans, specifications, and other documents to be used in connection with the submission of bids, prospective Bidders are invited to register under the Plan Room section at www.wilsonco.com. Select the pertinent project as listed on the projects list. The Bidder shall have a specific username and password in order to gain access to the “Lagoon Abandonment & WWTP Improvements” project. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

Upon request, paper copies of the BIDDING FORM with all necessary forms to complete a bid may be obtained by the issuing office.

A pre-bid conference will be held at **1:30 p.m.** local time on **October 11th, 2018** at the **Pueblo of Isleta Tribal Services Complex, 3950 State Hwy 47, Suite C, Conference Room A, Albuquerque, NM 87105**. Attendance at the pre-bid conference is highly encouraged. Bidders shall submit questions to the Owner / Engineer during the bidding phase via email to Shawna Ballay, poi17501@Isletapueblo.com. Responses to the questions will be provided via an addendum. The last day for questions is close of business (4:30 p.m. local time) **October 17th, 2018**.
