414 N. Main St, Suite A
Las Cruces, NM 88001

Prospective Bidders may obtain digital sets of the bidding documents downloaded free of charge and printed by prospective bidders from the following website:

<https://www.wilsonco.com/plan-room>

Potential Bidders are required to login/register to access the Bid Documents for this project. Your name, company name, phone number, and email address will then be added to the Plan Holders List for this project. It is the Contractor's responsibility to obtain all amendments/addenda from the website prior to the bid opening.

Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office.

Pre-bid Conference

A pre-bid conference for the Project will be held on **Thursday, November 16, 2023** at **10:00 am** at **Village of Hatch Administration Building 133 Franklin St, NM 88001**. Attendance at the pre-bid conference is encouraged but not required.

This project is funded through the Drinking Water State Revolving Loan Fund (DWSRLF) with federal funds provided by the Environmental Protection Agency. DWSRLF requirements and provision, including American Iron and Steel and Davis-Bacon must be met by the Bidder and all Subcontractors.

This project is wholly or partially funded with United States Environmental Protection Agency funds, and therefore must comply with all federal cross cutter requirements. Neither the United States nor its department's agencies or employees is or will be party to this invitation for bids or any resulting contract. This procurement will be subject to all applicable federal regulations including the Davis Bacon Act requirements.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin. Bidders on this work will be required to comply with the President's Executive Order No. 11246, as amended.

To ensure that Disadvantaged Business Enterprises (DBEs) have the opportunity to compete for procurements funded by EPA financial assistance, all Bidders shall make the six good faith efforts as outlined by EPA at http://www.epa.gov/osbp/dbe_efforts.htm. The bidder must make a good faith effort to solicit and hire Disadvantaged Business subcontractors and suppliers to meet the goals outlined in EPA XP-215. A good faith effort requires that the Contractor: 1) Complete the affirmative steps outlined in XP-215, 2) Submit XP-215 with the bid proposal, 3) Submit with the bid proposal proof that affirmative steps have been taken and this should include copies of advertisements and letters of solicitation. A Bid Proposal that omits XP-215 or does not support that a good faith effort was made will be considered non-responsive and the Bid Proposal rejected.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.
