

ADVERTISEMENT FOR BIDS

The Village of Hatch, NM Stormwater Pump Station Improvements

General Notice

The Village of Hatch (Owner) is requesting Bids for the construction of the following Project:

Stormwater Pump Station Improvements 21-600-274-00

Bids for the construction of the project will be received at the **Village of Hatch Administration Building** located at **133 Franklin St, Hatch, NM 87937**, until **Thursday, December 14, 2023 at 10:00 am** local time. At **11:00 am** local time, **Thursday, December 14, 2023**, the Bids received will be publicly opened and read.

The Project includes the following Work:

BASE BID: The project work entails the removal of existing MCC, conduit to wet well and pump cables, service conductors and service conduit, demolition of existing concrete slab, and installation of one new pump and new site electric and control elements to the existing storm water pump station. New pump installation includes the removal of one existing 200 HP pump and replacement with 185 HP pump to include electrical connection and start up. New electric and control elements include but are not limited to a new multi-section MCC, new tri-plex pump control panel, conduit to wet well, site lighting, pin and sleeve receptacle for use with Owner's existing generator, and reinforced concrete equipment pad. Existing site is 3-phase power and must coordinate service and metering removal and replacement with El Paso Electric Company.

ADDITIVE ALTERNATE #1: Includes the removal of one existing 200 HP pump and replacement with 185 HP pump to include electrical connection and start up.

ADDITIVE ALTERNATE #2: Includes the removal of existing one 77 HP pump and replacement with 70 HP pump to include electrical connection and start up.

Bids are requested for the following Contract: **Stormwater Pump Station Improvements**

Obtaining the Bidding Documents

The Issuing Office for the Bidding Documents is:

Wilson & Company, Inc., Engineers & Architects
414 N Main St, Suite A
Las Cruces, NM 88001

Prospective Bidders may obtain digital sets of the bidding documents downloaded free of charge and printed by prospective bidders from the following website:

<https://www.wilsonco.com/plan-room>

Potential Bidders are required to login/register to access the Bid Documents for this project. Your name, company name, phone number, and email address will then be added to the Plan Holders List for this project. It is the Contractor's responsibility to obtain all amendments/addenda from the website prior to the bid opening.

Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office.

Pre-bid Conference

A pre-bid conference for the Project will be held on **Thursday, November 16, 2023 at 11:00 am** at **Village of Hatch Administration Building** located at **133 Franklin St, Hatch, NM, 87937**. Attendance at the pre-bid conference is encouraged but not required.

This project is funded through the Clean Water State Revolving Fund (CWSRF) with federal funds provided by the Environmental Protection Agency. CWSRF requirements and provision, as listed in the project manual and attached NMED guidelines must be met by the Bidder and all Subcontractors.

This project is wholly or partially funded with United States Environmental Protection Agency funds, and therefore must comply with all federal cross cutter requirements. Neither the United States nor its department's agencies or employees is or will be party to this invitation for bids or any resulting contract. This procurement will be subject to all applicable federal regulations.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin. Bidders on this work will be required to comply with the President's Executive Order No. 11246, as amended.

To ensure that Disadvantaged Business Enterprises (DBEs) have the opportunity to compete for procurements funded by EPA financial assistance, all Bidders shall make the six good faith efforts (40 CFR Part 33 Subpart C) as outlined by the federal forms on Appendix A.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.
